- M7/F7-M10/F10 2 minutes with 1-minute golden score

## COMPETITION METHOD FOR ALL SHIAI CATEGORIES

1. Categories having five (5) Competitors or less: Round Robin Pool (every competitor competes against every other competitor). The order of finish is determined by number of wins, then, if tied, by total points. If tied in wins and points, the winner of the head-to-head competition between the two who are still tied determines the winner. If three or more are still tied in wins and points for any place (first, second, or third), those contestants involved must contest again to determine the order of finish. Points are given to the winner only and shall be based on the highest single score of the winner, after factoring out scores that cancel out each other. Point values are Ippon= 10, Waza-ari= 1, win by shido=0. If a contestant withdraws from a division prior to beginning of his or her final match, the results of all that person's previous matches shall be discarded.
2. Categories having six (6) competitors or greater: Knockout System with Double Repechage (sometimes referred to as Crossover Repechage). Players are divided into two pools, A and B which are further subdivided into A1, A2, B1, B2. Determination of 1st and 2nd place: The "Knockout" (single elimination) system is then used to produce two finalists, one from pool A, the other from pool B, who will compete for 1st and 2nd place. Determination of 3rd – 5th place: All contestants who were defeated by the winners of pools A1, A2, B1, and B2 (semi-finalists) will take part in the repechage of their respective pools in the order in which they were defeated. For example, for pool A1, the loser from Round 1 will meet the loser from Round 2; the winner of that match will meet the loser from Round 3, etc. The winner of repechage pool A1 will meet the winner of repechage pool A2; similarly, for B1 and B2. The winner of the repechage pool A will meet the loser of the semi-final of knockout pool B. The winner of repechage pool B will meet the loser of the semi-final of knockout pool A. The winners (2) are placed 3rd, the losers (2) are placed 5th.

### Round Robin Clarification:

- If Athlete A pulls out before finishing competition against other athletes in the category and does not go out onto the mat, all points won or lost associated with Athlete A are removed. No medal is awarded to Athlete A
- If Athlete A cannot finish competing but goes out onto the mat (field of play), then Athlete B wins and is awarded ippon points. Athlete A receives 0 points.
- If Athlete A, who did not finish competing but went out onto the mat, they are eligible to medal.

## SEEDING

Senior Shiai only: The top eight athletes in attendance will be seeded in accordance with their listing on the National Roster maintained by USA Judo, provided they are ranked at A through D levels, as follows: A (or B) side: #1 and #8 in one half, #5 and #4 in the other half. B (or A) side: #2 and #7 in one half; and #6 and #3 in the other half.

Seeded athletes will be separated as far as possible in their sections of the draw and will receive byes if available. A higher seeded athlete will always receive a bye before a lower seeded athlete.

## **INJURY RULE**

The following rule was approved by the Board of Directors of USA Judo on October 22, 1998: Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the event Doctor. If there is not a unanimous opinion among these three individuals, the athlete may not continue.

## **MINOR ATHLETE ABUSE PREVENTION POLICY (MAAPP)**

USA Judo defines “regular contact with minors” as meaningful or direct contact or oversight with minors that would be considered frequent, repeated or consistent. By way of example, an adult who will often assist with coaching/leading classes including minors would be considered “regular contact” with minors and is required to complete the SafeSport Online Training/Certification Course. An adult who may “drop in” to coach and/or practice with minors on occasion would not be considered frequent, repeated or consistent and would not need to complete the SafeSport Online Training/Certification Course. In the spirit of the moral code of judo, USA Judo requires adult members to self-certify whether or not they considered having “regular contact” with minors based on the aforementioned description. If an adult member is unsure whether or not they have “regular contact” with minors, USA Judo encourages those individuals (and their clubs) to err on the side of caution and complete the SafeSport Training and Certification. USA Judo, in cooperation with USA Judo Clubs, has the right to randomly review and assess members who may have regular contact with minors and require compliance if/when considered necessary by USA Judo Leadership. The USA Judo SafeSport Handbook can be found at [www.usjudo.org](http://www.usjudo.org).

## **NOTICE OF POSSIBLE TESTING FOR BANNED SUBSTANCES**

Senior and Visually Impaired Shiai only: Testing, in accordance with the Anti-Doping Rules and Procedures of the IJF, USOC, and the United States Anti-Doping Agency (USADA), may be conducted to determine whether an athlete is utilizing a substance forbidden by the International Olympic Committee.

As an athlete, before taking any medication or supplement, it is your responsibility to find out if any substance in the product is prohibited or restricted.

The Drug Reference Hotline is 1.800.233.0393. You can send correspondence and inquiries to: United States Anti-Doping Agency; 555 Tech Center Drive, Colorado Springs, CO 80919 or visit USADA’s website:
